

The Rhode Island Workforce Alliance

Advocating for a skilled, productive and prosperous workforce

SKILLS2COMPETE DAY

Thursday May 20, 2010

Location: State House 2nd floor

Time: 2:30-4:30pm

Join us to show Rhode Island legislators how investments in Adult Education and Job Training Programs are critical to building the skills of our workforce and a strong economy!

You're invited to:

- Staff a table to showcase your services and build awareness and momentum for adult education and workforce development opportunities
- Identify adults in various types of adult education and training programs who can meet and speak to state policy makers about the importance of these investments

Please RSVP by May 13, 2010 to secure a table for your program. Contact Heidi Collins at 456.2751 or hcollins@ric.edu

Skills2Compete Vision: Every Rhode Island worker should have access to the equivalent of at least two years of education or training past high school—leading to a vocational credential, industry certification, or one’s first two years of college—to be pursued at whatever point and pace makes sense for individual workers and industries. Every person must also have the opportunity to obtain the basic skills needed to pursue such education.
